What an awesome continuation of the creeper series! Can't wait for book 3! Cuthka goes on his first errand for Worla the witch and gets into a lot of trouble along the way. It's a great message for kids-make sure you do things the right way. Bad things happen when he tries to cut corners! My son and I loved this book. Well done, Skeleton Steve!

Hey SS, it's me, ScorpCraft. I see that you have finally released two new books, this one and Skull Kids 3. I have read both and they are amazing!!!! This next book in Cth'ka the creeper king series was epic but sad at the same time. Cth'ka can now hold lava, and may soon even be able to use two hands!!! However, the loss of the three other creepers was saddening, so I hope they get revenge on Steve by putting lava on his spawnpoint or something. It was still full of action, like when they attempted to raid Steve's castle, and the part when Worla was fighting Steve and Cth'ka can "fly" now. This was a great book overall, and I really enjoyed it! !! From Scorpcraft

this book was really good I love this series and was searching since I finished the first one looking for this one it is worth all 5 stars I put in, no less.

finally this book came out and it was free!!this book was the best.make book 3.but can you give Zarek the zombie enchanted diamond armor with a enchanted kantana.that would be very deadly.thanks

My daughter really enjoys these books to the point that she got me reading them and I like them too!

It Is Amazing, Perfect For Kids!
