âœThe best guidebook to bring is the Uzbekistan volume in the Odyssey seriesâœIt is one of those rare travel guides that is a joy to read whether or not you are planning a trip.âœ (The New York Times)âœ...Quite excellent. No one should visit Samarkand, Bukhara or Khiva without this meticulously researched guide...âœ (Peter Hopkirk, author of The Great Game)

Bradley Mayhew was born in Sevenoaks, Kent in 1970 and currently lives in Yellowstone County, Montana, USA. A degree in Oriental Studies (Chinese) at Oxford University kickstarted 20 years of independent travel in the remoter corners of Asia, and a career writing guidebooks. He is the author or co-author of Lonely Planet guides to Central Asia, Tibet, Bhutan, Nepal and many others and is a major contributor to the Insight Guide to the Silk Road. Bradley has lectured on Central Asia to the Royal Geographical Society and recently traveled across Asia in the footsteps of Marco Polo for a five-hour French-German TV

documentary.

Excellent descriptions, helpful maps, clear photos. Better resource than the Uzbekistan portion of Lonely Planet's Central Asia

While not great as a guidebook for hotels and places to eat this book is EXCELLENT to read and fully understand what to see and what you're looking at. It's beautifully written.

The photos are less than impressive. Selection of literary works helps spice up the contents.

Very useful and well researched/written book.

An excellent book.

Sounds like a forward thinking country. I will visit in 2018
