GAVE AS A GIFT TO A 12 YEAR OLD

Great book for adults and older children.

Incredible is excelente.

I looked at the official HG coloring book and was not impressed but I found this one and really like it. The pictures are really great and there are a lot of pages for the price. Love this.

Loved the book but on some of the b drawings the lines were too close and difficult to color.

Great drawings, better than the official coloring book in my opinion.

This one is great, specially when compared to the original. May different pictures.
