Expert travel writers and researchers provide independent editorial advice, recommendations, and reviews. With guidebooks to hundreds of places around the globe available in print and digital formats, DK Eyewitness Travel Guides show travelers how they can discover more.

Compact yet thorough. Was glad to have it along

short synopsis of the high points with good photo support.

Grandson found the guide useful during his Israel visit

very helpful and insightful

Love the Top 10 series. Very useful for our trip to Jerusalem and the surrounding area.

Very good information, but not extremely detailed.

Good that includes Petra, because it is extremely easy to cross over into Jordan and visit Petra, Wadi Rum, and other locations.

THANKS
