Waking Up In Iceland

Synopsis

Thanks to a thriving pop music scene, Iceland has recently acquired a reputation for being one of the most hip locales in Europe, a fact that has led more and more visitors to explore the rest of the country's culture and sights.

ISBN-13: 978-1860744600

Product Dimensions: 6 x 1 x 9 inches

Shipping Weight: 12.3 ounces

Average Customer Review: 4.4 out of 5 stars 4 customer reviews

Best Sellers Rank: #3,011,876 in Books (See Top 100 in Books) #78 in Books > Humor & Entertainment > Sheet Music & Scores > Composers > Sullivan #294 in Books > Travel > Europe > Iceland #370 in Books > Humor & Entertainment > Sheet Music & Scores > Historical Period > Modern Popular

Customer Reviews

As a frequent visitor of Iceland, I found this book very entertaining, as well as vividly descriptive. The author has a way of placing you in the setting, whether or not you've actually been to Iceland---you'll visualize your own interpretation of the country's/cities landscape easily enough. The music he mentions is awesome and the bars/venues (although some are sadly closed now) brought back some fond memories.

This book reads not unlike Chuck Klosterman's offerings....being a sort of diary-journalistic approach to a topic. There are a fair amount of spelling errors which surprised me (and I can read both American and British spellings without having the UK spellings tick off my internal spell check) but aside from that the book is great. However, be warned that it is quite outdated and record shops and bars mentioned in it are no longer around, or go under different names now.

"Paul Sullivan's WAKING UP IN ICELAND is The Best, and Most Important, book on Iceland ever

written ever published. As a student and appreciator of Iceland's majestic nature and magical culture, past and present, I tip my hat in gratitude to Paul Sullivan and Sanctuary Publishing. I hope the people, and government, of Iceland will do everything possible to let the world know about WAKING UP IN ICELAND. I will do all I can to spread the word about this brilliant book." Ron Whitehead, may 21, 2003, Kentucky

I am big fan of Sigurros and Björk and it was interesting to read about the roots of their music in Iceland. It was a easy and enjoyable reading
