The 4" X 5" Quilt-Block Anthology: 182 Blocks For Reproduction Fabrics

Synopsis

Gather your favorite reproduction fabrics and stitch magnificent 4" x 5" blocks! Enjoy trying your hand at a wide range of distinctly different quilt blocks--182 in all--from stunning yet simple blocks to intricate paper-pieced designs. We've done the math for you, taking the effort out of resizing traditional square blocks into attractive 4" x 5" beauties. Learn how to assemble your blocks into a one-of-a-kind sampler quilt! Includes tips to help you set up a fun block exchange or club with friends.

Customer Reviews

Finished block size is 4 x 5". Love the simplicity of the instructions, even the most complex designs look easy to make. Will be perfect for all the small scraps I have left over from other projects. 182 different block in the book.

I saw this Carol Hopkins book while I was on vacation. It presents antique quilt blocks in a new way - rectangular. The book has clear, easily understandable directions and diagrams for block construction. Great for a gift!

Had borrowed the book from library--liked it so bought it. Lots of good blocks.

can't wait to start it, beautiful book

Love this book. The blocks are original and fun. Can't wait to start my quilt

Well, if you like oddly shaped blocks, this is for you. Personally, the rectangular shape of the blocks mess with my head.

I am working on the blocks. They are fairly easy. I really like the size of the blocks as they are rectangles.

Love it!! New idea for small blocks, NOT square. Can't wait to start!
