Age Range: 3 - 5 years

Grade Level: Preschool - Kindergarten

Customer Reviews

This Bible is what it says - a "very first" Bible. One of my toddler's first words was Bible because she enjoyed reading this so much as early as 12 months, and was proud to have a bible like her older sisters. It only has about nine stories in it, the creation, garden of Eden, Noah, Moses as a baby and exodus, Daniel in the lions den, Jesus' birth, Jesus' ministries, Jesus loves the children, with a few sentences on each page and bright, beautiful colorful pictures. It has sturdy board book pages, a good size for toddlers. We usually read it cover to cover in one sitting or in two sessions, takes about 15 minutes total. I would not buy this for children three and older though, and as my daughter turned two we have been looking for the "next step up". My current toddler, my son who is 18 months, enjoys pointing out the animals on the pages. This is just the right length to hold his attention. Again, a great Bible for 12 -24 month crowd.

This is very basic - with major parts left out of each story. It's a great introduction to main stories (Adam and Eve, Noah, etc.) but there is never a mention of sin - everything in the book is pretty vanilla. I like the Jesus Storybook Bible better.

Gave it to my grandchildren, they love it and my granddaughter reads; she is enjoying it and my grandson is younger and looks at the pictures and relates to the stories from Bible lessons. Great purchase for young children.

I was looking for Bible stories for my toddler that didn't send a "fear God" message. I am pleased this version showed the love of God and great lessons taught.

Good bible but one came broken. Has vivid pictures.

infants old enough to turn pages, love this.

I love it! Ward pages perfect for babies

This book is super cute and easy to read for little ones. I bought this for my babies Easter basket and it was a hit! The pictures are also great and help tell the bible stories.
