Useful information from a dog savvy professional.

Has lots of good tips and helpful info for those of us crazy dog owners. I love having this at my fingertips whenever I have questions.

This is a great book of tips that were published in other sources pooled together in one book. I'm only halfway through and it's a lot of information. Plan on this book being a refence book in my library.

I had not found, until now, a single authoritative work that clarifies and presents an exceptional usage format of facts and solutions for breeders and pet owners. A must have!

THESE ARE HINTS THAT HAVE BEEN TRIED AND USED BY THE ACTUAL FOLKS WHO ARE INVOLVED WITH OUR FURR KIDS.
