Customer Reviews

Peter presents images of the Australian landscape more beautiful than you've seen before. From the lush depths of our rainforests to the startling beauty of our deserts, the panoscapes in this book capture the essence of the Australian spirit magnificently.

I am an Oil-Head! (A diehard fan of the Australian band Midnight Oil!) Their music has inspired me to research the land down-under. I have collected many books on Australia, mostly used (but nearly pristine) editions (such as this one) offered at marketplace. Some of these books are out-of-print. None of these books have been a disappointment! I have acquired several large-format, coffee-table style pictorials. "Australia: Images of a Timeless Land," is certainly the most outstanding of these. If you fancy the Land of Aus, You will love this book! You will hug this book! You will kiss this book! Better stop there, alright!

Wonderful photos

Given as gift as a trip to Australia. They loved it. Also the publisher contacting me directly to resolve a mailing issue. Good experience. Amazing book.

this is a small book. After seeing his beautiful work in all its glory at one of his Las Vegas galleries this very small format does not do the photographs justice. Not recommended.

Book looks great

My friend loved this book!!! I gave it to him for his birthday. It still had the shrink wrap on, and it arrived just in time for his party. The photos were beautiful.

Pictures of great places to and may never see but threw this book you can enjoy the great land of Australia.

Beautiful piece of art.
