# The Monks' Daily Bread

## Synopsis

The Monks of Archangel Monastery have a dilemma: their cupboards are bare! But their wise Father Abbot reminds them to trust that Christ will provide their daily bread. So the monks go about their work, study and prayer, while offering up their belly grumble for the love of God. This beautifully-illustrated book will be enjoyed by children and their caregivers for its humorous pictures, for fun rhymes reminiscent of Dr. Seuss, and for the heartfelt message of sincere trust in the Lord's providence.

## Customer Reviews

Sweet little book that helps young readers to trust in God's Providence. The rhyme and rhythm is similar to Sheep in a Jeep as other reviewers have commented. An example: "Father Abbot sends a prayer, "Help us, Lord, our cupboard's bare."

This was recommended to me. When I first got it, I thought it was overpriced. BUT, the story is so cute and my 2 year old granddaughter just loves it!

Such a tender & adorable peek into the daily life of a family of religious brothers, who learn to rely on God for the simplest of things-their daily bread. They have to struggle through the day, with grumbly tummies, but still joyfully trusting in God's provision. Lovely illustrations, and a fun re-read for children. Thank you, Sylvia Dorham!

The Monks daily bread reflects the gentle simplicity of the Christian faith experienced by the monks at Archangel Monastery. With charming illustrations and rhyming; in cadence similar to Madeline. Although the story takes place at a monastery, children will easily grasp that it's message holds true to all who trust in God for their daily needs. Based on Philippians 4:19, which....."Father Abbot, very wise, asks you please, to memorize. Wonderful for young children or a fun read to. One of the few stories of faith where I actually love the illustrations!

The monks are hungry. Father Abbot is wise and prayerful. You have to read the book to find out what happens! The Monks' Daily Bread follows in the footsteps of beloved children's classics. I'm talking about Goodnight, Moon and Sheep in a Jeep. These are the books you read to your little ones over and over, because they are whimsical, beautifully illustrated, and lyrically charming. If you are a parent, you know that you will have to read your books over and over to your kids, and you really want to have something beautiful, clever and perfectly suited to the child's soul. The Monks' Daily Bread is just such a book. You (and your children) will love it. And you will happily read it over and over.

What a gem of a book - the rhyming is clever (reminds me a lot of "Sheep in a Jeep") but with a truly wonderful message. The illustrations are bright and capture a child's eye, without being too cartoon like. I just wish this were available in Hardcover. I purchased my copy directly from the Chesterton Press website - if you buy the physical copy of the book, you get the Kindle version for free! A must for homeschool mothers and read-alouds - I am always looking for solid Catholic picture books and hope the author writes more like this!

The Monks' Daily Bread is a delightfully illustrated book teaching our little ones the power of prayer, perseverance, endurance in suffering and trust in God's loving providence. Children will love the whimsical rhymes and parents will love the beautiful life lessons they impart. Sweet and charming, simple, and yet so profound. A new favorite in our home!
