Dot To Dot Book For Older Children: Super Fun Edition

Synopsis

Within this book are more complex set of pictures that are perfect for young children who have already been exposed to some schooling. This book is designed to refine the child's pencil hold and count numbers greater than 10. Because the images are bigger, more time will be spent in completing this dot-to-dot book. A great addition to your educational training materials!

Book Information

We continually update our products, ensuring accuracy of information, making sure they are fun and entertaining. Our products are always available in whatever format our readers need.

My grandson really enjoyed this book. It was great practice for number sequencing.

My mother who is eighty just loved this book. I couldn't find any in my home town that were not for children.

Enjoyed nice book

The book has been a total enjoyment for who it was purchased for.

I thought it was going to be more difficult.. my 7 year old was bored!giving them to my 4 year old niece.

Great! Can't find old-fashioned dot-to-dot books in the store. This is exactly what I am looking for.
Great product.

Gift for my 5 year old granddaughter. She loves Dot to Dot and was helpful for learning her the visual sequence of the alphabet.

Nice clear pictures
