Frida Kahlo (Little People, Big Dreams)

Synopsis

In this new series, discover the lives of outstanding people from designers and artists to scientists. All of them went on to achieve incredible things, yet all of them began life as a little child with a dream. The second book follows Frida Kahlo, whose desire to study medicine was destroyed by a childhood accident. Frida began painting from her bedside and produced over 140 works, culminating in a solo exhibition in America. This inspiring and informative little biography comes with extra facts about Frida's life at the back.

ISABEL SANCHEZ VERGARA, born in Barcelona, Spain, is a writer and creative director in constant search of new concepts for children's books. Working for more than fifteen years for clients in top advertising agencies, her books combine creativity with learning, aiming to establish a new and fresh relationship between children and pop culture. ENG GEE FAN, pronounced in Chinese as Y?Â® Fan, graduated in Visual Communication, and after one and half years in the design industry, decided to embark on a full-time illustration career. She is currently based in Perlis, Malaysia, where she lives with her two dogs.

Absolutely what I expected. An incredible way to introduce strong female leaders to your young ones.

First of all, my 4 year old loves Frida so any kids book about Frida is a winner in my house. But the illustrations are so lovely and the text is easy to read and straightforward. We will be buying other books in the Little People, Big Dreams series now.

This series is a wonderful way to introduce children to women who have made a difference.

This book series is perfect for little girls! It teaches while providing a storyline that's easy to follow.

loved this children's book! great pictures and great story!! I already loved Frida, but this is a great children's story!

This book is very cute and its perfect for little ones

Charming

Darling! The girls will love it!
