Our Love Is Our Power: Working With The Net Of Light That Holds The Earth

Synopsis

The Grandmothers are here. The Great Council, representing all cultures and races, has come to return the earth to balance, to restore the Feminine Principle, and bring the energies of yin and yang into harmony with one another. "We will do this work primarily through individual women," the Grandmothers say. "Women are the natural reservoirs of Yin for this planet and because the energies on earth are now shifting radically, women must lead. It can be no other way." Our Love Is Our Power chronicles the author's adventures with the Great Council of the Grandmothers as these wise women teach her how to infuse herself and the planet with the long absent energy of the Feminine Principle. The adventure with the Grandmothers continues. Our Love Is Our Power begins where Sharon McErlane's first book, A Call to Power: the Grandmothers Speak, left off.

A tour de force! Engrossing and transforming. The reader shares Sharon's journey into the amazing world of the Grandmothers, come to anchor a new paradigm on the planet. --Christan Hummel, author, Do it Yourself Space Clearing Kit, co-founder Earth Transitions
In a world of turmoil we hear ancient voices of hope: the Grandmothers who gave light to the author and promise the same light to all who call to them. Not a distant light at the end of the path, but a Net of Light that will hold the planet and every heart --James Farris, former Roman Catholic priest, author, Parents Who Love too Much

Sharon McErlane has been a teacher and a Marriage and Family Therapist for more than three

decades, teaching techniques for emotional and spiritual integration to guide people on their life's path. In 1996 while walking her dog beside the beach, the Council of the Grandmothers made themselves known to her, explained their mission, and proceeded to change her life. Since then she has passed on the Grandmothers Empowerment into the energy of Yin to thousands of people, carrying the Grandmothers message and lessons around the world. At present there are more than 150 Grandmothers groups, spreading the Grandmothers message in different countries, passing on their empowerment and working with the Net of Light that the Grandmothers say, "Will hold the world during these times of radical change that are now upon you." The Grandmothers messages and the locations of empowerment groups are posted at [grandmothersspeak website](http://grandmothersspeak.com)

WITHIN THE WRITINGS WHICH APPEAR AS IF TAKEN OUT OF HER JOURNAL, SO BEING NOT A LINEAR TAIL TO BE READ, ARE REVEALED MANY INSPIRING GEMS OF INSPIRATION AND SUBSTANCE TO INCLUDE IN ONES MEDICINE BAG FOR NAVIGATING AND HOLDING THE SPACE WITHIN THE TIMES WE ARE WITH.....MAY ALL LIFE GROOVE.....

Spiritually supportive for all especially for women of today.

This book is excellent. It made so much sense to me in my interpretation of what is happening in our world. It has changed a part of me forever and opened a deeper appreciation of my Ancient Ones and my love for God/Goddess All that Is.

Holds all the information I ever wanted to hear. So grateful the Grandmothers are here and available to us all. Such powerfully healing information in this message.

Sharon's second book of her encounters with the Great Council of the Grandmothers is even more powerful than the first! At this point many women and men have gathered together all over the world with The Grandmothers. Of special note is the exercise they gave for us to enter into contact with them and our animal guides without making a 'shamanic journey' which need training. By entering the Grandmothers' Stone Circle it becomes safe and easy to ask them for their advice or to bring our animal guide to us to share its wisdom.

Sharon's first book (A Call To Power) was great but this book is FANTASTIC! It is so easy to read and makes so much sense. It spoke directly to my heart and my heart said, "YES, This Is The Way

It Is SUPPOSE To Be!!" I don't know how the Grandmothers can top this book but I am sincerely hoping there will be more advice coming to us through Sharon.

Author Sharon McErlane's book that followed "A Call to Power" is a MUST READ. Imagine a humble group of kind folks that feel 'called' by Angels, no matter what religion or culture, in such times. Read these books, they are the truth at last, and we are the ones we have been waiting for.

Our Love is Our Power is a rich practical guide to claiming and living the beauty/power that the Grandmothers tell us is the true nature of every woman. Our study circle is benefitting tremendously from studying this inspiring book.
