Mallorca: Car Tours And Walks (Sunflower Landscapes)

Synopsis

This was the first walking guide for Mallorca, the guide that won Sunflower the Sunday Times 'Oscar' for best travel guide - and eventually made the island one of the most popular walking areas in Europe.-----The author has lived on Mallorca for over 35 years and knows the island intimately. This completely revised 8th edition includes newly-drawn maps incorporating the recently inaugurated GR221 ('Drystone Route') - a long-distance walk which is covered almost in its entirety by the 60 long and short day walks in the book.-----The guide features information panels on Mallorcan customs and landscape which complement and add interest to the text describing the drives and walks.-----10 car tours (with accompanying touring map), 60 long and short walks (each illustrated with 1:50,000 topo maps), 27 picnic suggestions. Plan of Palma. Free online update service with specific route change information on the publisher's website, maintained daily.-----The 'Landscapes' series, with 50 destinations, has been dubbed 'the blue Bibles' by the Sunday Times and led to Sunflower coming third out of a field of 15 publishers in the 2014 Holiday Which? guidebook roundup. -----What a marvellous walking guide to Mallorca! (JLC, York)-----The perfect door-opener to a new Mallorcan experience. The directions and maps are easy to follow. Take it on holiday and enjoy more of the island. (Rodenplav64,)-----Meticulously detailed routes...incredibly useful. (Weekend Telegraph)-----A wonderful guide to walks in Mallorca's mountains. Wins the 'Oscar' for Sunflower Books. (Sunday Times)

Customer Reviews

Small, easy to travel with. Nice selection of hikes and drives. Could use much more detail on finding trailheads and should have both distance and time, also pricey.
