Insight Guides: Inspiring your next adventure --This text refers to an alternate Paperback edition.

Heidi Johansen is an editor and writer living in Seattle. She loves exploring the dining scene in the Emerald City, as well as the quick escapes to incredible outdoor excursions—especially the

Olympic Peninsula. Cedar Burnett, a Seattle-based writer and journalist, has written for the Associated Press, Seattle Weekly, Parent Map, Alaska Airlines Magazine, and more. Heidi and Cedar recommend the Woodland Park Zoo, the Olympic Sculpture Park, Seward Park, a long walk along Alki in West Seattle, a visit to the Central Library, and a ride on a ferry as top Seattle experiences for first-time visitors.

Never been to Seattle. Will visit in April before a cruise. Seattle City Guide is very informative and answered all my questions. I want to get the most out of a two day visit without wasting time; this guide is a perfect companion. Great choice for a short visit and a guide to keep for a revisit.

INSIGHT GUIDES: SEATTLE CITY GUIDE is a great book about Seattle and its environs. It's written in a way that almost anyone can easily understand, plus there are plenty of photographs of different landmarks in the area, as well as discussions of possible day trips from the area. This book is essential for anyone even remotely interested in the Pacific Northwest.

Loved it!

will be a huge asset when we visit

I was given this book 20 years ago before moving to Seattle and it started my love affair with the area. Now it is my recommended go-to when friends and family are planning a visit. The guide points you to not just the obvious attractions, but also to those tucked-away, around the corner, or up a mountain "quirks" and nuances that shouldn't be missed. A book you will come back to again and again.
