Time Out Amsterdam City Guide: Travel Guide (Time Out City Guides)

Synopsis

About the Guide Amsterdam is renowned as an anything-goes city. But it helps to know where to go. With the help of expert local writers, Time Out Amsterdam takes you beyond the superficial into the places where the locals work, play and imbibe, providing the lowdown on its museums and galleries, the best eating, shopping and carousing, the most interesting sights, excursions and, of course, cycling routes. The revamped Guide continues to chart the ups and downs of this cosy but dynamic city. It retains the street-wise independence and local expertise that the series is known for, while improving many features to help visitors navigate the city.

I haven't actually gone to Amsterdam yet, but I have booked a hotel for when I do and I have gleaned a ton of practical knowledge for my trip. I am excited!

I was extremely disappointed that guide came with pull out map torn out.....this should have been pointed out in description

Has information on a lot of places to visit. I especially love the maps included.

excellent

Time Out Amsterdam: City Guide is a free NetGalley ebook that I read in early July. Like most city guides, this one lists places to eat and stay, itineraries, events, and where you go to appreciate art, history, and architecture with the help of little maps and symbols, like stars or dollar signs, but this guide is really able to convey the heart and depth of culture that Amsterdam really has to offer.
