"The Little Black Book of gay travel." -- N.Y. Times

Gina M. Gatta has been the Editor-in-Chief of Damron's LGBT travel guide series since the early '90s, becoming President in 1992. She has published over 90 books. She lives in San Francisco.

It's much thinner than years past. Not sure it's fully tracking everything like it used to. For years it was superior to Spartacus but it now seems Spartacus is the definitive guide.

If you are looking for an in depth description and pictures of places this is the **WRONG** book, look for something else. You'd probably find more details and more fun information on a LGBT magazine or website. I wouldn't have spent the money if I had seen it in a bookstore. It would be better described as a **POCKET** quick reference than an **actual TRAVEL GUIDE**.

I have bought many of Damron's Men's Travel Guides for gay men over the years. No matter where you decide to travel, this guide is indispensable. If you are looking for hotels, restaurants, clubs, spas, resorts and "other FUN places" to visit, this guide is the ticket!!! It not only lists cities in the US but also most of the larger international cities as well. I plan a trip to Italy in February 2014 and I wouldn't go without my copy!!!! I love the fact that it gives you all the information in a very compact little book which is arranged in a very neat fashion. It also lists establishments that are gay friendly, gay owned and places for gay men in general. It also has tips on sex clubs, cruisy areas and dance clubs for men as well. No matter what city you plan to visit, it will most likely be listed in Damron's guide. It has listings which include mixed clientele, but this guide is for us **GAY MEN!!!!** Don't leave home without it!!!!!!

These books are pretty much up to date when you visit a city or country. It is always possible that a bar or disco may have closed; however, it gets you, the visitor, into the right section of town to find your enjoyment. It also describes the establishments hours, who they attract, addresses and phone numbers, and places of interest throughout the area. Damron is the best book out there for the gay traveler

GOOD BOOK

Good Travel Guide for Gay Men!!

Satisfied with the product

This book used to be 5 times this size and had information about everywhere. Now it is basically US based with about 10 percent dedicated to the rest of the world.
