Their Son's Amish Baby (Expectant Amish Widows Book 4)

Synopsis

As Mr. and Mrs. Stauffer mourn the death of their son, Simon, who died during his rumspringa, Bree Fortsworth knocks on their door and announces she is having Simon's baby. Bree explains she has nowhere else to go and asks if she can stay with them. After they agree to her request she has another and the Stauffers are surprised when Bree wants them to adopt the baby. After Bree has been staying with the Stauffer family for some weeks, Simon's brother Andrew doubts what Bree is telling his parents and confronts her with his suspicions. What will Andrew do when he finds out Bree's secrets? Will Bree's and Mr. and Mrs. Stauffer's plans be thrown into doubt after another unexpected visitor knocks on their door? Customer Reviews

I choose this rating because this is a great book. I really enjoy the way that Samantha Price writes, she does it with a open heart and mind and she goes with it. I liked the fact that she has Bred as a mixed up girl whose parents threw her out because of a mistake. She had nowhere to go but to her friends house for help. She shouldn't have lied but I see her situation. I am glad that Andrew was her hero. I think everyone who likes to read should read all of Samantha's books. Thank you, Samantha.

This story tops the others IN Samantha's Price series. A surprising couple twists and turns. Easy reading and holds you interest. A must read. GAB

Gave five stars because these are wonderful love stories that are woven around the Amish & their faith in God's love & understanding & forgiveness!!! Highly recommend this series to everyone---you will enjoy!!!

Good book

It was the fifth book in the series, but was a stand-alone story which did not retell the same story as the previous books. She writes with experiences that lead to "ah ha!" moments. Very good.

This was great to read. The story had love, care, and concern for those involved in the turmoil of the main theme. In the end the man rescues the woman with the big problem and all turns out ok.
