Customer Reviews

This was useful enough for a freebie, but is definitely a VERY beginners guide. I mean, mostly a compilation of the info one can get from the seed packets.

Very useful book. I have been looking to grow my own herbs but I am 100% a newbie. Loving the book so far.

A great book for beginners for growing herbs.

I am not a book critic or reviewer, I just like to read a wide genre of a diverse types
