"A series from that has gone to great lengths to keep ingredients and techniques required within the reach of anyone." -- Orlando Sentinel

Great item! Highly recommend seller!! AAAA++++

Great

(...). I got my money's worth on the fancy presentation for Maxim's potatoes, which lists only potatoes and clarified butter as ingredients. If you have a mandoline, the recipe is a snap! This book series offers simple recipes that teach one or two culinary techniques per recipe. Every recipe is shown in a photo. It's a thin hardback book, only 1/2-inch thick. If you're in a potato rut, maybe this book will free you. I gave it only 2 stars because there are so few recipes.
