A Family Concern

Synopsis

Rona Parish is eager for a fresh challenge after her successful articles on adopted children. A chance encounter with an old friend, Kate - now married into the Tarlton family, who own the oldest jewellery shop in Marsborough - sows the seed for a new series. Rona plans to research the histories of several long-established family firms in the town. Kate also enlists Rona's help in getting to the bottom of her sister-in-law Freya's terrifying nightmares after a tune from a musical box triggers a severe reaction. --This text refers to an out of print or unavailable edition of this title.
