KAWS: Where The End Starts

Synopsis

A major survey of KAWS and his eye-popping work, from collectible art toys to UNIQLO T-shirts, from graffiti to museum exhibitions. Appropriating characters, images and effects from pop culture, the work of KAWS blurs the lines between high and low art, and between art and fashion. Deploying film and television favorites for his toys, large-scale sculpture and bold, nearly abstract painting, KAWS recasts the familiar colors and forms of popular entertainment in cheeky and often poignantly human terms. Influenced by Andy Warhol and other Pop artists, hard-edge abstract painting and graffiti, KAWS's work deftly straddles consumer culture and artistic innovation, and his distinctive style is as much at home in his toys as in his monumental sculpture. **KAWS: Where the End Starts** explores the artist's prolific career in depth, featuring key paintings, sculptures, drawings, toys, and fashion and advertising designs. This extensive monograph, including contributions from Andrea Kernes, Michael Auping, Dieter Buchhart and Pharrell Williams, reveals critical aspects of KAWS's formal and conceptual development over the past 20 years, as his career has shifted from graffiti to fine art and collaborations with designers and brands such as Comme des Garçons, SUPREME, Nigo (A Bathing Ape) and Nike. Published in a hardcover edition with more than 150 color reproductions by the Museum of Modern Art, Fort Worth in conjunction with the major 2016 Fall exhibition on KAWS.

Brooklyn-based KAWS (born in 1974) is widely considered one of the most relevant artists of his

generation. Within the Pop art tradition, he has created a prolific body of influential work, which both engages young people with contemporary art and straddles the worlds of art and design to include both product and graphic design, paintings, murals and sculpture. Marla Price is Director of the Modern Art Museum of Fort Worth. Michael Auping is Chief Curator at the Modern Art Museum of Fort Worth, Texas, and the author of books on abstract expressionism, Clyfford Still, and Arshile Gorky.

i have been collecting KAWS t shirts recently and also purchased the air Jordan 4 kaws and I saw this came out just recently and for a very good price compared to what it would cost in a book store(\$55). got it in 2 days fast. I also just ordered the earlier KAWS hardcover book of his works that is a little more \$\$\$ but I think worth it from what I hear. His stuff is just gonna keep going higher and higher in value .

Good book but i've not received the good edition (200 pages only)
