Funny Jokes: Best Funny Jokes For All Occasions

Synopsis

Warning! Laughter and delight at ridiculous situations awaits you in this book. Listen with caution. Are you ready to engulf yourself in some silly jokes that will make you smile? Do you want to hear some off the wall jokes that are just adult enough that you may come just shy of sharing them at the water cooler at the office on Monday morning? Well you have come to the right place. This collection of jokes will give you a chuckle or two with how strange they are and their funny and entertaining tones. However, they are adult enough that you do not have to share your guilty pleasure with children, giving you something all to yourself. Jokes are often regarded as cheesy or sometimes for children, but not today. These jokes are for adults only. However, you do not have to devote hours on end to get a little bit of entertainment. Listen to them before bed, on break at work, in the bathroom. Pretty much anywhere you will have a few minutes to yourself. Please, enjoy! This book may contain material that can be considered lewd or offensive

Customer Reviews

This is a great little e-book. Lots of joke books aren't very funny, but the kids and I like a lot of the jokes in this one. Some are not very good, but there are LOTS that are. I recommend it.

I really loved this book, filled with many jokes . Plus you will find different types of jokes. I kept laughing while reading the book

This was quite the entertaining collection of jokes, including dirty jokes, mama jokes and many more.
