NEW ZEALAND: The Ultimate Travel Guide And 125 Travel Tips You Must Know Box Set (New Zealand Travel Guide, New Zealand Travel)

Synopsis

NEW ZEALAND: Are you ready to travel to one of the most exciting destinations of the world?**FREE BONUS included!****FREE with kindle unlimited****Book 1: NEW ZEALAND: The Ultimate Travel Guide With Essential Tips About What To See, Where To Go, Eat And Sleep**This is the ultimate travel guide that offers you a wide assortment of information that as a traveler in New Zealand will be most useful to you. New Zealand is an exciting destination in the Pacific offering the perfect blend of sophisticated culture, fine food, and wine, adventurous activities, and incredible wild places for you to visit. You will have highlights where ever you travel, whether you are going from top to bottom or just concentrating on exploring one area in depth. When looking on the map you may think New Zealand looks so far away, but it is really just a plane flight away from some of the world's major cities: Sydney, Los Angeles, Shanghai and Tokyo. Once you are here in this little piece of heaven located in the South Pacific you will discover a technologically and socially advanced nation offering you the facilities that you are used to at home. You can enjoy your facilities surrounded by a landscape that is just out of this world! The total land area is about 268,000 square kilometers -very similar to Japan or the UK- yet it has a population just under 4.5 million compared to about 128 million in Japan. The majority of the natives of New Zealand live in cities leaving vast areas of land unpopulated. It is very easy to escape the crazy rushed pace of the city life in this vast enchanting land. This is a preview of what youâ™ll discover inside **New Zealand: The Ultimate Travel Guide:****New Zealand's Accommodations for Travelers****Getting Around New Zealand****Sample Itineraries for New Zealand****Places to Dine in North Island****Places to Dine in South Island****Essential Information for the Traveler of New Zealand**And much more!**Book 2: 125 Travel Tips You Must Know To Make the Most Out Of Your Trip**If you are someone that is planning to take a trip in your future and are looking for some great travel tips that will not only save you precious time, but money as well, then you have come to the right place. Customer Reviews

New Zealand is another country I am planning to visit ever since I watched the Lord of the Rings trilogy. Looking at the guides and photos presented here, there is so much more to see in New Zealand apart from the majestic mountains and natural sceneries. The links included can help any traveler when in need of additional information about the places to go. Excellent photos are included. It makes reading this book pleasurable and it makes me yearn to go to New Zealand soon. The 125 tips were also included in another purchase I made from this author. It is still a good bonus especially if you only got this book.

After Australia, New Zealand is my second choice to visit on. As I heard since now, this country is full of natural beauty and adventures. And hopefully I will be travelling to the country next year. So I will need to know more about it. And for that I bought this book. Looking at the guides and photos

presented here, there is so much more to see in New Zealand apart from the majestic mountains and natural sceneries. It makes reading this book pleasurable and it makes me yearn to go to New Zealand soon. It is a very good book if you are going to there. I recommend this guide

The Ultimate travel guide to New Zealand costs only a few dollars but you get what you pay for. This is very basic information you can get with Google in 5 minutes from Internet for free. Also a few restaurant reviews make the thing not better. Too little to be practical help. Better use TripAdvisor. Not recommended.

The book was shorter than I had expected And as such was not particularly informative. I should have expected that from the price. I didn't really use it on my recent trip to New Zealand. The 125 tips were nothing more than common sense and told me nothing I didn't already know.

New Zealand is another country I am planning to visit ever since I watched the Lord of the Rings trilogy. This book also includes information on climate, clothing conditions, currency, and credit cards. I also like the beautiful photos in it of various places and things around New Zealand. The 125 tips were also included in another purchase I made from this author. It is still a good bonus especially if you only got this book.

This is a well written box set for anyone looking to plan a trip to New Zealand. It covers some of the best dining spots in the country, which I really want to experience as I love trying different foods. What I really like about this box set is it covers travel tips that I can use for wherever I go, so I can refer back to the 125 Travel tips for wherever I travel to in the future.

Most of the 125 photo tips are common sense, but a few are interesting and useful. The coverage of events and tourist sights is quite brief and shallow.

Not much content. Travel tip section was stuff I already knew. NZ guide was very basic. Didn't really use it at all.
