I first read this book more than 30 years ago but over the years lost my copy. I have I met father Theopane and his book was very special to me. The book is magic and I'm so very happy to have it with me again!

I was first introduced to this book in the 1980s and have read and re-read it several times. It's a wonderful, thought-provoking book. I was thrilled to find a source for it at and bought several copies as gifts.

These little parables are full of humor, irony, and wisdom. Lots of thought-provoking stories, and they are short enough to use even if you only have a couple of minutes for relaxing and soul-nourishing.

A wonderful book. It was recommended to me by a friend, and I found it intriguing, enlightening, and

enjoyable. A reading experience that will stay with me long after the pages of the book have yellowed.

I have had this comfortable little book for a few years, and have always found it refreshing to re-visit after a period of time. It was bought used through an dealer, and I was very surprised to find it singed on the inside front flap. I don't recall if it was listed as being signed at the time? Anyway, I would like to believe this is his true signature, and short quote....."One of these stories is not about you" signed Theophane (If that isn't of Trappist Character, and open heart, then what is?)

Theophane the monk had a fascinating way of making a point. The messages and the art work were beautiful. I would encourage anyone to read this book. I've reordered for gifts.

I first found this book while living in a monastery and was so happy to find it here many years later.... You will be enchanted!

potent little book with potent little stories - a great gift book. I have given this as several gifts and it has gone over well!
