Scarlett Wing is a pen name for the creative team at Cottage Door Press. We use a name like this when we work together on a story. We choose a name that stands for "red bird," which is our cheerful little mascot.

Got as a late Christmas gift had to replace it my twins loved it to its death

Perfect size for little hands and fingers to open flaps!

My daughter loves this book. She loves to lift the flaps. I love the cute illustrations.

Great at helping toddlers learn first words through lifting flaps and interaction

Wonderful book. Well made and durable. Just big enough for little hands.

My 4 month old loves this book. She likes to grab the thick durable board pages as I read and point out the cute illustrations on the page. She isn't old enough to be curious what is behind the flaps yet, but she is showing interest. Both the pages and the flaps you bend down are strong board material and seem pretty indestructible for now.

The flaps on these books are super chunky and I don't worry about them being torn off.

Best flap book. The flaps are thick for toddlers.
