Coastal Garden Plants: Maine To Maryland

Synopsis

In this informative book, over 400 color photos taken in natural settings around the northern coastal region allow readers to see the flora in the garden. While this book contains historical, mythological, and original tales about garden plants of the northern coastal region, with a cross reference names index, this book is also a quick reference guide.

Roy L. Heizer is a Certified Plant Professional in North Carolina. He teaches classes and conducts lectures on folklore and gardening. Nancy Heizer has photographed nature and wildlife throughout the United States.

I bought this as a house warming gift for a friend who just moved to the shore. I looked through it and it seems quite good. It was hard to find a Northeast regional shoreline plant book but his one covers it.

my husband think it is amazing , Received as described. delivery so quickly. professional service. very sharp and nice feel in your hand. A nice company to deal with .Hope my product and I get many happy years together .Would for sure buy another product from them.
