Jeep

Synopsis

Adapted from a spartan military design, Jeep is today an integral part of the DaimlerChrysler family and a major player in the SUV market. This color history profiles Jeep's remarkable evolution, from the delivery of the first Willys Overland model to Allied military services in 1941, through its years as the bedrock of American Motors, and on to its acquisition by Chrysler. Striking color photography and evocative archival images of classic Jeeps from throughout the years depict such popular and collectible models as CJs, pickups, Jeepsters, Forward Control trucks, military Jeeps, Wagoneers, Cherokees, and Wranglers.

Customer Reviews

... the most comprehensive and accurate reference available on the development of the Jeep. --

The CJ3B Page, 2000Here are 224 pages of great tips, black and white photos, production data,

resources and hobby ins and outs. -- Old Cars, November 25, 1999If ever there was a book for

dyed-in-the-wool Jeep aficionados, Jim Allen's Illustrated Buyer's Guide: Jeep is it. -- 4WD & Sport

Utility, February 2000 --This text refers to an out of print or unavailable edition of this title.

• Previously published as the Illustrated Jeep Buyer’s Guide (0-87938-277-5) --This

text refers to an out of print or unavailable edition of this title.

I bought this for my nephew who is looking at a Jeep as his first car. It helped him understand the differences between one model and another in a way the internet wouldn't.

good book thanks

Go this for my husband and he loves it. It is as described and arrived on time. I would recommend this product and this seller.

A replacement copy, it was everything as expected.

Great book

as described- shipped timely- highly rec-

This is an excellent data book (Just like all the other vehicle "Buyers Guide" books) on a wide variety of Jeep vehicles with much detail data such as built numbers and option lists. It's more a "documentary" piece than a "color and story" book. Excellent for people hunting for Jeep facts on a wide variety of Jeeps and for people trying to decide what vintage Jeep to buy or restore.

Most helpful, well illustrated, and very informative.
