DanTDM: Trayaurs And The Enchanted Crystal

Synopsis

#1 Bestseller and #1 New York Times Bestseller! From the mind of one of the most popular YouTubers of all time, DanTDM, comes a graphic novel adventure that reimagines the Minecraft-style worlds and characters he's created like you've never seen them before. After a day of experiments, Trayaurus and DanTDM are about to call it a night when a strange-looking crystal plummets to earth, breaking into five pieces that scatter far and wide. DanTDM and Trayaurus recover one of the shards and quickly realize they are in possession of an object more powerful than anything they've ever known. Word reaches DanTDM and Trayaurus that other pieces of crystal have been recovered—a group of pigs have harnessed the crystals' power to enable them to talk. But they're not alone—Dan and Trayaurus' archenemy, Denton, has also found a shard and manipulated its power for evil. He has created a cloning machine and is producing a terrifying marauding army intent on hunting down the remaining crystals in his effort to become all-powerful. It's down to DanTDM and Trayaurus to stop him. Will they prevail, or will the forces of evil be too great for them to overcome? Fans of the Elementia Chronicles and the Gameknight999 series will be drawn to DanTDM's tale about an epic power struggle in a high-stakes world.

Customer Reviews

Dan the Diamond Minecart, AKA DanTDM, is one of the most popular YouTubers in the world, with over 12 million subscribers who tune into his Minecraft and gaming videos. He has over 8 billion views on these videos in total, which makes him one of the most-watched channels on the whole of YouTube!

This was a gift for my 8-year-old son. Thom is a HUGE fan (as in even dressing like him for Halloween huge) and we were genuinely bummed that DanTDM wasn't making any stops in the states for book signings. The book arrived properly packaged, well bound in a hardcover with a dust jacket. The illustrations are engagingly awesome. The story line is true to DanTDM style. I keep hearing Thom laugh in the other room while he's reading it. This is a really fun comic book and I highly recommend it to anyone who's a fan. DanTDM keep these coming.

good book

Because it's kind of like real life and minecraft. I like it because there's like cool gadgets. I recommend this book to minecraft and DanTDM lovers.

A must for all Dan TDM fans! My child love the book

My daughter loved this gift and loves your YouTube channel.

My son read it in one sitting. So cute!

A+++

Arrived in great condition! My daughter loved it!
