14 Blues & Funk Etudes: B-flat Instrument (Tenor Sax, Soprano Sax, Clarinet), Book & 2 CDs

Synopsis

A collection of studies composed for musicians who wish to extend themselves in improvisation, composition, sight reading and general musicianship skills. Each etude has a theoretical explanation, suggestions for performance and tips for practice routines. Two CDs of combo accompaniments performed by members of the Yellowjackets are included. All books are compatible and written so that they can be performed together.

Customer Reviews

The funk etudes are sooo cheesy. But luckily he's got some good solos to practice memorizing odd diatonic scales. Usually after once listening through, I could normally almost nail each song. That's not true for this book. Thank goodness I finally found something that's a challenge! But too bad it was nearly 30 bucks. I expected more, but I'm not disappointed.

Got this one and his jazz and funk. This one is loads of fun but the jazz and funk is beyond my capabilities. Fun to groove on and lets you get some new harmonic ideas

wonderful idea. learning without boredom. very musical. I only wish he would transpose the book for Eb instruments so I won't have to. On the other hand if you learn the materials in ALL KEYS you won't need another book! Thank you Mr Mintzer!
