## Synopsis

This set of approximately 500 flash cards covers all of the major topics students need to know for the new AP U.S. History exam, including constitutional history, the branches and functions of the federal government, the political party system, lobbyists, the role of media in government, and much more. Helped my daughter get a 5 on the exam.

excellent

Lots of information, but for flash cards, almost too much information. However these are time savers and were helpful in reviewing U.S. history terms, people, places, and events to prepare for the APUSH exam.

My daughter used these to prepare for her ap US History exam and they were very helpful. It comes with a ring so she could take them to school and study them during study hall; very convenient.

Cards are to the point. They are very helpful.

My daughter has not taken the test yet but this product was recommended by her AP teacher. Great tool as it is separated by chapter/section of history and comes with a key ring so you can easily carry around the flash cards you need to study.

I am an APUSH teacher. These are a MUST HAVE! Super easy to study in the go!

My son used this to get ready for his AP US History exam and found this really helpful
