Customer Reviews

"Knownâ | for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." â " Chicago Tribune"

"The best optionâ | Color photos, maps, and diagrams bring the place to life." â " The Philadelphia Inquirer

Book has lots of good info; however the print for most of it is so tiny that it really makes it difficult to read. I would recommend trying a different book before trying this one.

I've been using the DK Eyewitness Travel Guides since I was in high school, and the latest version of their New Orleans guide does not disappoint. Published in 2015, it contains historical background information on the city, beautiful graphics, and useful pages at the beginning of the book, starting on page 10, that explain how to take in as much of the city as possible in 2 days, 3 days and 5 days. I cannot wait to use this when I travel to the Big Easy next week!

A good adjunct to the "Walking New Orleans" book with some good restaurant recommendations and reviews. Found the Frommers guide better for reviews and this one good for history, pictures and writeups.

All DK books are tops. This one is no exception. They include all the high level info you need before taking you to the details and specifics that makes an adventure a success. They have beautiful pictures and diagrams with excellent writing. By and far our favorite travel books ever.

Excellent. It had all the phone numbers and addresses. I used it on my fabulous New Orleans trip. I still have a bunch of restaurants circled and that I want to go back to try!

My son wanted a travel book on New Orleans as part of his research in writing a play. He said he loved the book and it was helpful to him.

I love this guide. Is my first DK guide I purchased. The information is concise, east to follow, beautiful photographs and maps. 5/5stars

Eyewitness gives you everything you need to know about a destination: great photographs, great

historical background, great layout. Their travel guides make you feel like you are already there!
