## **Synopsis**

STAT: Standing Tall and Talented-- A slam-dunk new fiction series from NBA superstar Amar'e Stoudemire! Eleven-year-old Amar'e Stoudemire has finally realized that out of all his hobbies, basketball is his true passion. Amar'e starts competing in tournaments with his two best friends, Deuce and Mike, and they are winning. While they play great together as a team, the real reason for their success is Amar'e's incredible abilities. He's carrying them. After a few big wins, Amar'e starts getting attention from some of the older, more elite players in Lake Wales. They all want him to join their squads. Amar'e wants to elevate his game and the only way to do that is to move on but his friends feel like he's leaving them behind. Without Amar'e they're barely contenders plus he never seems to have time for them anymore. Based on the life of All-Star NBA sensation, Amar'e Stoudemire, who overcame many obstacles to become one of the most popular figures in sports today.

Amar'e Stoudemire, Captain of the New York Knicks and a six-time NBA All-Star, is a well-respected professional basketball player who has left his mark on the game and the community

through his award winning outreach. He is focused on creatively inspiring youth to avoid poverty through education. He is the father of three children.

Amar'e Stoudemire wrote a fantastic series!! Stories are relatable and relevant which makes for an enjoyable read.

The perfect book for 3rd, 4th, and 5th grade readers. Reluctant readers like this story because they can relate to the characters that speak with clarity.

Great series for young boys.

just finished this book and it was really great! cant wait to get #3

Liked

I thought that this was another great book. It was filled with a lot of controversy and basketball stars. There were also some heart stopping/breaking moments. In the end the Overtime invitational tournament game made this book great

I purchased these for a teacher in my school district as requested. She has been very happy with them so far.

I consider this book to only athletesÃÂÃÂI was recommended by my friendÃÂÃÂ It is 1 of my top choices for athletes
