Flint's Island: The Lost Sequel To Treasure Island

Synopsis

A sequel to the most popular pirate tale ever told--Robert Louis Stevenson's Treasure Island. Inspired by the opening line of the famous novel in which Jim Hawkins tells of a "treasure not yet lifted" still hidden on an unknown island, Leonard Wibberley (author of The Mouse That Roared) penned this unofficial sequel--a gratifyingly bloody and piratical tale, dominated by one of fiction's great hero-rogues, the endlessly cunning, forever evil Long John Silver. Wibberley, in his foreword, tells how he came to write Flint's Island, "I realized I must myself, however unworthy, attempt to supply the story of what happened to the remaining treasure or die with that question, raised in childhood, unanswered." Recommended reading in the Seton Home Study Guide for Grade 7.

Customer Reviews

A nice sequel to the famous "Treasure Island", I actually liked it better! It was easier to follow, had

more identifiable characters, and the story moved at a crisper pace, and was just more interesting. Long John Silver once again shows he can talk himself out of any situation, over and over again. In the end, justice is served, although not quite the way the hero of the story envisioned.

A good sequel to Treasure Island. Long John was perfectly written and I enjoyed how Mr. Arrow was incorporated into the story. Leonard Wibberley never wrote a dull book.

A possible ending to the story. A lot of questions for the mind to answer regarding Silver. Fun world to escape to.

A delightful read and the portrayal of Long John Silver is fun to read. I finished the book with a grin. Uses an appropriately old fashioned style but moves quickly with lots of action and deadly pirate double crossing. The end cleverly does no disservice to R.L. Stevenson's classic Treasure Island. I'd recommend to all ages, but knowledge of the original tale would increase the enjoyment of this one.

I enjoyed it. Good read with familiar characters. Blah blah blah, blah, blah, blah, blah, blah, blah, blah, blah, blah...
