## Synopsis

Framed for the brutal murders of his classmates by the mysterious Red Man, middle school student Ganta Igarashi finds himself sentenced to death and sent to the bizarre and fatal theme park/prison that has risen from the ruins of the Great Tokyo Earthquake—a hell on earth known as Deadman Wonderland. The residents of G Ward band together to confront Warden Tamaki's Ninben, man-made Deadmen created through horrific human experimentation. Ganta's friend Azami was turned into one of the Ninben during a Carnival Corpse show and lost her mind. He'll do all he can to save her, but at what cost? And if things weren't bad enough already, Ganta's friends desert him as a traitor!

This volume is action packed. Ganta leaves shiro to go save Azami who has turned into a Ninben. With all of the deadman labeling ganta a traitor and without shiro he is left to survive or get killed. The chief warden calls her military friends to join scar chains ultimate goal to declares war on tamaki any means necessary. Can't wait for the next volume. A clear must buy

Deadman wonderland is a gruesome, graphic, adult look at a privatized prison where inmates are forced to play deadly games to survive. I personally loved this series, plenty of gore, language, and dark themes kept me drawn in. I saw the anime before I read the manga, and the two tie very closely together thankfully. Must buy if you like dark, graphic stories!

Perfect condition.

Having come to the manga after watching the anime I am very impressed. I've paid more than this for a cup of coffee, and I got way more enjoyment out of this installment!

Interesting, fast-paced story but it can be a little confusing at times to tell who is talking/thinking what and some characters are hard to tell apart.

It's funny, gory, thrilling, action packed and has it all. Full keep wanting to turn the page read them all in less than a week and waiting for more.

Things truly are getting good in the seventh and I absolutely can't wait to read the eighth book in this outstanding series

Love love love this series!!! The concept is new and interesting. Can't wait to keep reading about Ganta and his bad ass friends
