Customer Reviews

Passbooks® has been publishing test preparation study guides for more than 40 years, with 5,000 titles available in a wide range of fields. Passbooks® are designed to help test candidates pass their exams by providing hundreds of questions and answers in the covered subject areas. Study guides are available for preparation for aptitude tests; civil service and government career exams; Regents Competency Tests; high school, college and graduate school admission; career and professional licensure and certification; Armed Forces tests; non-traditional education; and high school equivalency and college credit.

It was helpful to help my husband prepare for a test.

I bought this for my boyfriend as he is using to study for a new position. He finds it extremely useful

so far. It is building his confidence to take the text. The delivery was prompt. I would recommend this book to anyone.

Questions and answers only. Thought this was a book that you could learn from, not memorize.

had nothing to do with the civil servie test..

Good quality, had to return cause I ordered the wrong one.

Outdated, but useful.

It's easy to understand and I don't have the hassle of finding my glasses every time I want to read. Awesome

Kool
