Lola At The Library

Synopsis

Lola has a big smile on her face. Why? Because it's Tuesday--and on Tuesdays, Lola and her mommy go to the library. Join Lola in this cozy celebration of books and the people who love them.

Age Range: 2 - 5 years

Grade Level: Preschool - Kindergarten

Customer Reviews

PreSâ "Lola loves Tuesdays because that is the day she and her mother go to the library.

Everything about the trip is an exciting adventureâ "from packing her backpack with books and her all-important library card, to storytimes and singing, to choosing new books and the walk home, when they always stop for a special treat. But the best time of all is when Mommy reads her a story at bedtime. Simple text and large, bright acrylic illustrations of this engaging African-American child make this selection just right for sharing. Perfect for instilling a love of libraries and books in the youngest patrons, it's a winner.â "Sally R. Dow, Ossining Public Library, NY Copyright Â© Reed Business Information, a division of Reed Elsevier Inc. All rights reserved. --This text refers to the Hardcover edition.

Perfect for instilling a love of libraries and books in the youngest patrons, it's a winner. --School Library JournalThe simple, significant message will ring true with every librarian, teacher, caregiver

and parent as the day concludes with Lola's nightly bedtime story. Everyone should begin and end the day with a good book. --Kirkus Reviews

Great illustrations and cute story. My grandkids like it and asks for it often.

I wanted to like this book, but other than the delightful art in it, the book lacked any and all charm. It read like a boring how-to on checking a book out at the library. And that was it. A disappointment.

Cute little book with very nice illustrations. Our favorite part? When the baby gets her snack and the mama gets a cappuccino. How many baby books have that as a vocabulary word? But seriously, great book for babies who like to read!

I love Lola

perfect baby shower or birthday gift for black princesses!

Nice story and my daughter likes to hear it a bedtime.

This book mirrors me and my toddlers visit to the library every week. My 3 year old daughter wants to read this book everyday since it was delivered.

This book introduces children to the concept of going to the library in a time where that seems ancient. (We have a library inside the mall here in Washington. I find that really amazing.) Miss Lola our main character takes us on her journey and what she does at the library. She's a little bookworm and her Mommy reads to her at night. The words are easy to follow for little readers and the story is easy to follow. I enjoyed reading this with my little ones and it's definitely a favorite. They enjoyed it and smiled but I was not about to read it again. (Lol, every parents silent prayer. Read it once for the night and sneak out.) I recommend this book to parents of little ones wanting to encourage your children to read and just in general. It's a great children's story.
