Poolside With Slim Aarons

Synopsis

Like its predecessors, *Once Upon a Time and A Place in the Sun*, *Poolside* with Slim Aarons offers images of jet-setters and the wealthy, of beautiful, glittering people living the glamorous life. Yet this new collection of stunning photographs of the rich and well-connected "doing attractive things" in their favorite playgrounds has a new twist. The main character is pools and everything that goes with them: magnificent, suntanned bodies; well-oiled skin; bikini-clad women; yachts; summer cocktails; sumptuous buffets; spectacular locations; and most of all: fun. *Poolside* is not so much a *Who's Who* of society, aristocracy, and celebrity; although C. Z. Guest, Lilly Pulitzer, Cheryl Tiegs, Peter Beard, and many who have appeared in the previous books are here; as it is about leisure time and how the rich make use of it. This is a more intimate peek into very private lives, to which Slim Aarons was given unprecedented access in the fifties, sixties, seventies, and eighties. From the Caribbean to Italy and Mexico to Monaco, *Poolside* with Slim Aarons whisks the reader away to an exclusive club where taste, style, luxury, and grandeur prevail.

Slim Aarons (1916-2006) is regarded as one of the most influential magazine photographers of his generation. His photographs have appeared in countless magazines, including *Town & Country*, *Life*, *Harper's Bazaar*, *Vogue*, and *Travel & Leisure*.

Love this book featuring photos from my favorite photographer. Makes for great conversation!

See how the other half lived in this beautiful collection of color photographs from the fifties, sixties and seventies, featuring some the world's less cash strapped individuals by some of the world's more excessive pools.

Major coffee table book! Conversation starter!! Love Slim Aarons books!!! Everything Slim does, I buy! Great fun to read! Great fun to look at and think back to yesteryear!! Love, Love, Love! Buy, Buy, Buy!!!

We loved it!

Such a neat book, it's so fun to look at the old styles. Great pictures !

Great art.

fun book with loads of great shots. Has shots of my hometown even making it tastier to me.

True lovers of good photojournalism know there's more to being a witness than endless photos of the abused, the oppressed, and the doomed. The world's one-percenters need love too. Poolside with Slim Aarons shows a lifestyle of sun, alcohol, and implicit easy sex in the days before nautilus workouts and Hair Club for men. I hope those guys took good care of those Rolex watches cause now they're worth a ton on eBay!
