Customer Reviews

Great collection, none of these puzzles boring or predictable.

Very challenging puzzles in this edition. Being American, I found that they have a more complex twist because they have a British orientation.

the london times is the quintissential cryptic puzzle and this volume is no exception. for anyone who is into this genre, you cannot do better than the times cryptic. drives me crazy...

This purchase arrived exactly when it was supposed to and was exactly what I wanted. The Times Cryptic Crosswords are the best!

My husband is addicted to these puzzles. Almost ready for 2 more books.
