Customer Reviews

1975 edition HC/DJ Contains almost 500 pages of authentic Polish recipes translated into English from Polish.

got for my granddaughter. Her "first" grandmother was Polish and had an earlier edition of this cookbook. I want my (step)granddaughter to enjoy the foods of her heritage. Excellent customer service.

The book isn't what I had in mind. It was originally published in 1961, and almost all the recipes are from scratch, and I didn't even find a recipe for stuffed cabbage rolls. I don't usually buy books online that I haven't seen in person elsewhere. So the fault is with me, not the book.

By far, this is one of several Polish cookbooks in my kitchen library to which I refer when I want a different meal. I rely on it heavily when my own family recipes call for variations. The recipes are authentic, plus they are easy to follow. I received this as a gift, and I treasure it.

My Polish friends from Chicago were 1st Generation Polish Americans. They recommended this book as a base for all of my favorite Polish recipes. Through this cookbook, I literally went from

being a terribly inexperienced cook, to a person who can make stocks and combine flavors with ease. I'm so very grateful to the authors of this cookbook!

A Polish friend of mine living in Vancouver, Canada has this book, I was able to read it while on holiday there from England recently. I was born in Poland and remember my mother and grandmother cooking many of the recipes in this book, it seems very true to the things that I remember eating at home. I would like to get this book for myself, as soon as it is available, and get cooking!
