Asterix Omnibus 11: Includes Asterix And The Actress #31, Asterix And The Class Act #32, Asterix And The Falling Sky #33

Synopsis

Three fun Asterix stories in one for fans to enjoy! Asterix and Obelix celebrate their joint birthday party with some surprising guests in Asterix and the Actress. Asterix and the Class Act goes back to the day of Asterix's birth, and follows him through school and the bid for the very first Gaulish Olympics. In Asterix and the Falling Sky, it looks as if the Gauls' big fear that the sky will fall on their heads just might come true. But it turns out to be something very different: a space race!

Book Information

Series: Asterix (Book 11)

Paperback: 176 pages

Publisher: Orion (January 3, 2012)

Language: English

ISBN-10: 1444004263

ISBN-13: 978-1444004267

Product Dimensions: 8.5 x 0.5 x 11.2 inches

Shipping Weight: 1.6 pounds (View shipping rates and policies)

Customer Reviews

“Wit, humane insights, and physical antics allow readers to join the fun... has cross-generational appeal.”
Booklist

Rene Goscinny was born in Paris in 1926, and spent most of his childhood in Argentina, before eventually moving to Paris in 1951. He died in 1977. Albert Uderzo was born in 1927 in a small village in Marne, France. He met Rene Goscinny in 1951 and on 29 October 1959 their most famous creation, Asterix, made his first appearance on page 20 of Pilote. ASTERIX THE GAUL, their first album, was published in 1961 and there have now been 35 Asterix albums.

I love Asterix books since my childhood. Now I have bought all the omnibus volumes (1-11) for my 11 year old son. These are great value for money as you get three comics in each volume. He loves them too and have read them multiple times. The 11th volume is a little different from the previous volumes. Only one of the three comics out of the three in this volume is a regular (about 44 pages long) Asterix comic book. Others are reprint of very short stories and comic strips which were published in newspapers and magazines. My son didn't find these very engaging. The best Asterix books are the jointly created by Goscinny and Uderzo. All stories in this book were written after Goscinny died. The first full comic book in this volume are good, but neither me nor my son found the rest of the short stories that great. I will highly recommend all other Omnibus volumes (1-10).

Asterix and his adventures are always awesome but after Goscinny's passing, Uderzo has not maintained the same amazing tongue and cheek humor as the pair did together. The stories are still entertaining and definitely worth a read. But "Asterix and the Class Act" is basically a compilation of all their short stories over the years with some write-ups. Very interesting but not something I look for in an Asterix story. Asterix and the Falling Sky is just too bizarre for my tastes. Uderzo got future technology and space travel into this story. I just did not feel that it fit into the Asterix world too well. Still a good story though. The binding and format of the compilation is great and if you collect Asterix then this is the book for you.

The writer, Rene Goscinny, had unfortunately passed away by this edition and his absence is noticeable. Earlier editions are better.

I wish I could get this in hardback. Warning to long-time fans: this is very different from a typical Asterix adventure, it's more like a grab-bag. Still, my children found it very entertaining.

My grandchildren love Asterix, this is the latest of the books I gave them as a present, and they still love all of them

Love the characters. Have all of them.

Interesting Comics!

Great series
