Four Portraits, One Jesus Workbook: Guided Reading Projects And Exercises In The Gospels

Synopsis

This workbook accompanies Mark L. Strauss's Four Portraits, One Jesus. Following the textbook's structure, it offers readings from the Gospels, activities, and exercises designed to support the student's learning experience and enhance their comprehension of what can be known from the Gospels about the central defining subject of Christianity, Jesus of Nazareth. Four Portraits, One Jesus is a thorough yet accessible introduction to the four biblical Gospels and their subject, the life and person of Jesus. Like different artists rendering the same subject using different styles and points of view, the Gospels paint four highly distinctive portraits of the same remarkable Jesus. With clarity and insight, Mark Strauss illuminates these four books, first addressing their nature, origin, methods for study, and historical, religious, and cultural backgrounds. He then moves on to closer study of each narrative and its contribution to our understanding of Jesus, investigating things such as plot, characters, and theme. Finally, he pulls it all together with a detailed examination of what the Gospels teach about Jesus's ministry, message, death, and resurrection, with excursions into the quest for the historical Jesus and the historical reliability of the Gospels.

Mark Strauss (PhD, Aberdeen) is professor of New Testament at Bethel Seminary in San Diego. He has written The Davidic Messiah in Luke-Acts; Distorting Scripture?: The Challenge of Bible Translation and Gender Accuracy; Luke in the Zondervan Illustrated Bible Background Commentary series; and Mark in the Zondervan Exegetical Commentary on the New Testament.

This work book along with the text book provide an excellent study of the Gospels. They run the gamut of each Gospel, the theme, the proposed author, the reason the Gospel was written, etc. It would make an outstanding text for seminaries. I have and am learning a great deal and if I ever need to can make great use of them for Sunday school class.

This book is laid out very nicely, the author states what you are to learn in each chapter, teaches it and then recaps it in much the same way as he started. The workbook expands on this letting the reader think more about the text that they read.
