I was shocked to see what an excellent quality this album is! I showed my entire office!!! Everyone was surprised. I figured it would be cheap looking because I didn't have a lot of money to spend but this is definatley quality product! Will definately use you again!Thank you for making my husbands fathers day gift so perfect!

Very nice scrape book it worked great for my stuff ,great product and fast service

It is a beautiful scrap book legacy in lovely leather. I will be proud to give in to my son whose Grandfather was in the Army in WWII.

Did not have clean cut removable instructions or decorated pages. Just plain white in clear plastic sleeves. I have not used it since I found a better one. I want to return it!

Love this book. Very suprised how nice it is for the price. Will probably buy more.

Better than I thought it would be

Wish it had instructions for expanding. Very fine quality product.
