The Forest Feast Gatherings: Simple Vegetarian Menus For Hosting Friends & Family

Synopsis

Erin Gleeson, the New York Times bestselling author of *The Forest Feast*, returns with a gorgeously illustrated cookbook packed with 100 brand-new simple vegetarian recipes designed for relaxed entertaining. When food photographer and stylist Erin Gleeson left New York City to live in a cabin in the woods of northern California, she started the blog *The Forest Feast* to document her vegetable-centric, seasonal approach to cooking. Her readers are drawn to her healthy recipes that anyone can make—dishes that are easy enough to prepare after a long day at work, yet impressive enough for a party—as well as to her visually stunning photography and watercolors. Erin handwrites each recipe over her photos to create diagram-like, step-by-step instructions that are vibrant, unique, and most important, easy to cook from. Erin's recipes have always been ideal for entertaining, but now in *The Forest Feast Gatherings* she offers detailed guidance on hosting casual, yet thoughtful, get-togethers from start to finish with recipes that serve 6 to 8. The book offers 100 new, innovative vegetarian recipes, along with some fan favorites from the blog, arranged in a series of artfully designed menus that are tailored around specific occasions and seasons—whether a summer dinner party, a laid-back brunch, a vegan and gluten-free gathering, or holiday cocktails. Sample recipes include: Pomegranate Punch, Quinoa Crunch Salad, Floral Summer Rolls, Vietnamese Lentil Tacos, Kale-Hazelnut Salad, Pear-Thyme Galettes. Menus feature recipes for drinks, appetizers, entrees, side dishes, and desserts, accented by quick decorating ideas for flower arrangements, signage, and table settings. Lushly illustrated with hundreds of watercolor drawings and photographs, *The Forest Feast Gatherings* is an inspiring reference for anyone who wants to share good food with good friends, simply, easily, and beautifully. Also available from Erin Gleeson: *The Forest Feast: Simple Vegetarian Recipes from My Cabin in the Woods* and *The Forest Feast for Kids*.

Customer Reviews

"Feeding the people I love is my favorite thing to do and The Forest Feast Gatherings has given me so much new inspiration to do it. From how to plan a menu to how to prepare simple-but-memorable recipes, Erin reminds us that we can all entertain our friends and families easily and our effort doesn't need to be exhaustive to be effective. If you loved Erin's first book, get excited: this one is just as wonderful." (Julia Turshen, author of Small Victories)"The Forest Feast Gatherings gets me in the mood for a party. Set the table, think fresh food and gather your friends around for some fun." (Aran Goyoaga author of Small Plates and Sweet Treats: My Family's Journey to Gluten-Free Cooking) "The Forest Feast Gatherings is bewitching, outstanding, and clever in every way. Bursting with fresh ideas, it will ensure a lovely and unforgettable night with good friends. I've been to Erin's lovely house in the woods for an evening gathering, so I know what I'm talking about. I'll be using this book forever." • (Yvette van Boven, author of Home Made and Home Baked)

Erin Gleeson is the author, illustrator, and photographer behind the New York Times bestselling cookbook The Forest Feast, The Forest Feast for Kids, and the popular blog of the same name. Erin also teaches photography in Continuing Studies at Stanford University. Her work has been featured in the New York Times, the Kitchn, Design Sponge, Food52, InStyle, Country Living, Better Homes and Gardens, Bon Appetit, and Saveur, and appears in a line of stationery products from Abrams Noterie that includes journals, art prints, and calendars. Erin lives in a cabin in the woods in Northern California where she creates simple and delicious vegetarian recipes, inspired by her weekly farm box.

Absolutely stunning book in every way. I bought two copies for birthday gifts and now drooling over a copy for myself. The quality of the binding and paper adds to the gorgeous colors and vibrancy and illustrative pages, not to mention how perfect the recipes are. This one is for owning, using, and displaying!

Erin Gleeson's books have a permanent spot on my coffee table so I can browse them all the time, they are SO gorgeous. I love that the recipes are all very simple and accessible, too. It's not often you find both beauty and ease in a cookbook! I love that this book has pre-made menus for all types of occasions. It's a good starting point, even if you prefer to switch out some things. I always stress over what to pair together, and this takes that stress out of the equation. This would also make a great gift!

Full of wonderful party food and drink ideas. I'm new to being a vegetarian, and sometimes thinking of food that other people will enjoy is a bit difficult for me, but this book was a great find. Also one of the prettiest cookbooks I've ever seen.

Easy. Fresh. Inspiring. I mean, some of the recipes are borderline, "I knew this / I could have made this," but they are presented so lovely and paired so well with other recipes, and c'mon, don't we all want to go have dinner at Erin's? Well, alright, carnivores not so much, but count me in! I've tried a half dozen so far of the recipes and they have been hits! Easy to find ingredients. Super simple instructions.

Love the way this cookbook is written. Plainly and simply. Anyone could easily follow the recipes in this lovely book. I liked it so much that I even bought another cookbook by the same author.

The photos and recipes are wonderful. I love the ideas for making any get together festive without a lot of expense or fuss.

Easy recipes and an overall lovely cookbook!

seriously one of the most beautiful cookbooks ever!! great recipes and ideas! delicious!
