Grade 4 "This adaptation provides a look at the origins of the cat Scourge, the evil leader of the Bloodclan. Tiny is a fearful house kitten who is the runt of the litter. Once he strikes out on his own, though, he renames himself Scourge and vows to take revenge on the wild forest cats who once attacked him. Though drawn and laid out in a manga style, the illustrations are more detailed than typical manga drawings and effectively bring out the cats' personalities and characters. This is not a cuddly animal tale: there are some vicious attacks, one ending in a death." This book is amazing just like all the others it's just that this one is very good because it takes a very loved well known character and gives them a great back story I mean Scourge is one of the greatest villains and with this book it makes sense why he is so rebellious against Tiger Star and just why he is the cat he is not only that I can actually respect Scourge because he has such an amazing back story that makes sense it really shows why he is such a great cat and kinda shows that being small does not mean you are any weaker in fact maybe even stronger it's just yes I think that the Erins did a wonderful job

A really great follow-up of the Warriors series. It's really great to know who Scourge was before he became the rogue. Keep up the good work. I don't patiently await each new book which comes out. I have read most of them two or three times. By the way, I am a great cat lover (they can do no wrong - except once in a while. Also I am a great-grandmother and plan to pass the books to my great-granddaughters when they are old enough to enjoy them. THANKS ERIN AND COMPANY FOR ALL THE ENJOYMENT YOU'VE PROVIDED ME

I've seen videos of this on YouTube but there is more to the story than I thought! AMAZING!!!!
BEST BOOK EVER!!!!

I loved this book! It had great sketching and drama!

I actually have not read this book, but my daughter was over the moon when she received it (she is 11). She loves the Warrior series and has completed all of the box sets. We are moving on to the additional books and graphic novels. This was one that caught her eye instantly and she loved every bit of it. I wish I had more details, but my daughter would tell me if she didn't enjoy it as much as others she had read.

Great book! Sure to amaze all the readers with its descriptive dialog! Scourge's character was developed nicely along with the clan's different perspective of how life should be lived.

My Daughter Loves it

Great seller, great transaction. Item was as described.
