It's Okay To Feel Sad: A Book About Sadness (Growing God's Kids)

Synopsis

Habits and attitudes developed in the preschool and kindergarten years affect a child for the rest of his or her life. These years are also a challenging time for parents as children test boundaries (and patience). How parents and children respond makes all the difference in the world. The Growing God's Kids series is designed to help young children understand their feelings, develop godly ways to deal with temptations, and form positive attitudes and behaviors that will serve them well in the future. In *It's Okay to Feel Sad*, parents and children are encouraged to express sadness and to comfort each other in healthy ways.
