Customer Reviews

Jeff Savage has written dozens of books for young readers. He frequently visits schools around the country to talk to kids about his work.

This "book" (more like a magazine article) told me the short version of the story every single Dale Jr. fan already knows. Did I mention there were PICTURES?! How exciting! No, not any you haven't already seen before but...PICTURES! Might be worth reading for free for those of you with the most banal of tastes, but glad I didn't waste a cent on it. It literally took me 5 minutes to read.
