Race Cars (True Books)

Synopsis

Race car technology has come a long way from the early days of auto racing. Today's cars rely on sleek, aerodynamic shapes and powerful engines to give drivers more speed and control than ever before. In this book, readers will find out how engineers and other creative, forward-thinking people work to push race car technology to the limit. They will also learn about the history of auto racing, what it is like to be a race car driver, and much more.
