Down By The Riverside: A South Carolina Slave Community, Anniversary Edition

Synopsis

In *Down by the Riverside*, Charles Joyner takes readers on a journey back in time, up the Waccamaw River through the Lowcountry of South Carolina, past abandoned rice fields once made productive by the labor of enslaved Africans, past rice mills and forest clearings into the antebellum world of All Saints Parish. In this slave community, and many others like it, the slaves created a new language, a new religion--indeed, a new culture--from African traditions and American circumstances. From the letters, diaries, and memoirs of the plantation whites and their guests, from quantitative analysis of census and probate records, and above all from slave folklore and oral history, Joyner has recovered an entire society and its way of life. His careful reconstruction of daily life in All Saints Parish is an inspiring testimony to the ingenuity and solidarity of a people who endured in the face of adversity. This anniversary edition of Joyner's landmark study includes a new introduction in which the author recounts his process of writing the book, reflects on its critical and popular reception, and surveys the path of scholarship in slave history in the decades since the book's first publication.

Book Information

Paperback: 408 pages

Publisher: University of Illinois Press; Second edition edition (October 1, 2009)

Language: English

ISBN-10: 0252076834

ISBN-13: 978-0252076831

Customer Reviews

"The finest work ever written on American slavery." George P. Rawick, editor of *The American Slave: A Composite Autobiography*

In *Down by the Riverside*, Charles Joyner takes readers on a journey back in time, up the Waccamaw River through the Lowcountry of South Carolina, past abandoned rice fields once made

productive by the labor of enslaved Africans, past rice mills and forest clearings into the antebellum world of All Saints Parish. In this slave community, and many others like it, the slaves created a new language, a new religion--indeed, a new culture--from African traditions and American circumstances. From the letters, diaries, and memoirs of the plantation whites and their guests, from quantitative analysis of census and probate records, and above all from slave folklore and oral history, Joyner has recovered an entire society and its way of life. His careful reconstruction of daily life in All Saints Parish is an inspiring testimony to the ingenuity and solidarity of a people who endured in the face of adversity. This anniversary edition of Joyner's landmark study includes a new introduction in which the author recounts his process of writing the book, reflects on its critical and popular reception, and surveys the path of scholarship in slave history in the decades since the book's first publication.

Interesting and vivid history of the area called the Waccamaw Neck in South Carolina. This story follows the Waccamaw River with its myriad rice plantations stretched between the river and the Atlantic Ocean and tells of the early European inhabitants and their rise to wealth based on the importation of slaves. The author concentrates on certain plantation families to recount this history of the owners and their extended slave families from pre American Revolution times to post Civil war and into the 20th century.

History made interesting with facts, figures and supporting documentation. A unique look into the daily lives and work of the slave community of the rice plantations along the SC coast.

It met my needs. Thanks.

I haven't had the time to finish reading this book but so far, I've enjoyed it, I've only had a chance to read several pages, I'll know whether I like it once I get a chance to finish reading it.
