Treasure Hunting 101

Synopsis

Discover the treasures around you in your backyard, local park or old ghost towns. Learn a new healthy hobby that will pay for itself! Learn the art of gold panning, hunt for falling stars, radioactive ores, and find lost relics and perhaps ancient objects- rings, coins, silver diamonds and gold! Read about the legendary treasures hidden in your state (all are listed) well researched listing many lost and stolen treasures, that are yours if you find them. Tony Salvitti, is a world traveling treasure hunting expert and explorer. With over 26 years of metal detecting experience under his belt-both on land and SCUBA diving under water in many lakes and several oceans. Tony will introduce you to the multifaceted world of treasure hunting for fun and profit.

Customer Reviews

This "book" appears to have been written by someone who was quite intoxicated. The formatting is horrible and the sentences are atrocious. There MAY be some good information in it, but with the pathetic excuse for writing, no one can tell.

Reading.

I've always like reading Tony's books on fitness and nutrition. This one is a bit different, but also worth the read. Not only is it about treasure hunting, but also about the obstacles and dangers one may encounter. I found the chapters on snakes and insects to be helpful and which at the very least should help with awareness when undertaking treasure hunting whether as a professional or just as a hobbyist. Whereas the state histories as related to treasure take up a sizable portion of the book, I found them to be of great interest and I couldn't help but to skip ahead to my own state's history.
